

REMARKS

Figures 1 and 2 have been amended to include legends in the blocks, and to revise the flow chart to conform to standard format.

New Figure 4 was omitted from the international application and has been prepared based on the detailed description in the specification. No new matter is presented.

This preliminary amendment is presented to place the application in proper form for examination and to eliminate multiple dependency from the present claims. No new matter has been added. Early examination and favorable consideration of the above-identified application are earnestly solicited.

Any additional fees or charges required at this time in connection with the application may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,
COHEN, PONTANI, LIEBERMAN & PAVANE
